It's from a Chinese factory.. it said order two and get free shipping but than charged \$1.95 for shipping insurance and taxed it at 10% when Colorado sales tax is only 2.9%... we have not even gotten the product and fell raped and violated!

I received mine and it does not bend or work very well. Shedding blade is better.

Hi. I bought this a few years ago, love it, even gave a couple away as gifts. I'm recently seeing this on FB, "<https://www.moonlightooze.com/products/6-in-1-shedding-grooming-massage-brush>" ~ is this your company or someone that is copy-cattng you? They're using the same horse and woman on their packaging (at least on line anyway)

Thanks,  
Sandy

Ugh, so sorry you're dealing with this - just got an ad from another one called moonlightooze with your videos and graphics.

Might be worth making some social posts or a YouTube video to let everyone know what's happening - I'm sure your customers would be happy to share the word and encourage people to buy from you, the original!

Sharon Puccio

I saw another brand of this

**StripHair**  
[Elizabeth McGowan](#) thank goodness! This is a CHEAP COUNTERFEIT. This ad is using MY FACE, MY VIDEO, and MY PRODUCT IMAGES with the StripHair name photoshopped out. We report this ad regularly but it is still here and 1000s of people are being conned. Just terrible!!

Just wanted to let you know (you might already know). There is a company on Facebook using your photos on a knock off of your products.....

Thank you so much Glynda. We have been fighting these terrible counterfeits for over a year and it so helpful when people like you show me one we Mike have missed. I will add this one to our list to
